VINEYARD INFORMATION

Trinity Oaks Pinot Noir was sourced from premier California vineyards in Lodi, Clarksburg and the Central Coast that use sustainable growing practices. Cover crops like flowers, oats, & barley are grown between the grape vines to naturally enrich the soil, boosting ripeness within the fruit. The cover crops also lure beneficial insects to the area, protecting the vines from predators.

TASTING NOTES

Strong aromas of juicy berries complement ripe red cherry flavors. This medium-bodied Pinot Noir with herbal notes and hints of violet has a smooth, toasty oak finish.
