VINEYARD INFORMATION

Trinity Oaks Pinot Grigio was sourced from premier California vineyards that use sustainable growing practices. Cover crops like flowers, oats, & barley are grown between the grape vines to naturally enrich the soil, boosting ripeness within the fruit. The cover crops also lure beneficial insects to the area, protecting the vines from predators.

TASTING NOTES

Bursting with fresh grapefruit aromas, Trinity Oaks Pinot Grigio is fruit-forward with ripe pear and juicy melon flavors. This refreshing wine with vivid acidity has a crisp, bright finish.
